Order ONLINE at SCCD.org!

Order Deadline: Friday, March 13th
Distribution Days & Surplus Sale
FRIDAY, APRIL 3rd | 8am-5pm
SATURDAY, APRIL 4th | 9am - 1pm
At 210 N. Havana St. | Spokane, WA
Due to seedling availability, early & late pickups are not allowed.

You've placed your order... now what?
- You’ll receive an invoice/receipt from us one to two weeks before the distribution days. It will list your order, and any balance due.
- Please bring your invoice when you pick up your trees. Please be prepared to pay any outstanding balance. You may also purchase any surplus stock.
- We do not ship seedlings.

All surplus stock is:
- Only available on the two distribution days listed above.
- Available on a first-come, first-served basis.
- Sold at the same pricing and quantities as listed in this brochure.

Please note:
We do not offer a guarantee on the survivability of seedlings. Unless otherwise noted, our seedlings are bareroot and range from 3”-24” tall at pickup. SCCD has seedlings grown at outside nurseries and does not see the size of the seedlings until they arrive for the distribution days.

Plant Care Key

- Full sun (six or more hours of sunlight per day)
- Very low water use (drought-tolerant), after 3 years to establish roots.
- Full sun to partial shade
- Moderate water use (may need minimal supplemental watering)
- Full shade (six or more hours of shade per day)
- High water use (may require supplemental irrigation)
- Attracts birds, bees, butterflies and small animals
- Edible, but may not be palatable. Seek a resource like “Edible Wild Plants: A North American Field Guide” for safety tips.
- MG - Mature Growth; expected height at full maturity.

Tree diapers, tree tubes and deer repellent available for purchase at pick up.
